

The recursive meeting

Did you mean [The recursive meeting](#)

(How to run SIGPwny Meetings)
Thomas

Announcements

- Update the logo for our website!
 - We will get you the new logo
 - Just make sure it is up to date on sigpwny.com
 - Message @nick and #website
- Windows meeting => Next Semester (it will be pog)
- CSAW Second Place == HUGE POG
 - Pentesting Event == Fun Pog

`sigpwny{sigpwny{sigpwny{}}}`

This slide exists so you remember to put the meeting flag on the board... <3

SIGPwny meetings? I can make one? (60)

Yes! You can! We all want you to!

please im v busy

Why host a SIGPwny meeting? (60)

- Chill environment, practice speaking
- Teach others about something you are interested in!
- Help Thomas not run almost every meeting this semester!

What do I need to host a SIGPwny (120) Meeting?

- A Topic you can talk about for 15-20 minutes
 - Interesting
 - Cool
 - Not Highly Illegal
- Slides (Optional, Recommended)
 - More info soon
- Challenges
 - Also optional
- A Goal
 - What can you teach

How to choose a topic? (120)

1. What do you think is cool?
2. What can you learn for the meeting?
 - a. What do you want to learn and tell people about?
3. What do you think would make a good meeting?

Potential Topic List

More Reverse Engineering, more pwn, printf, **how to docker**, how to vim/tmux/r2, more Crypto, more Opsec, **OSINT (I need help setting next meeting up)**, PHP, network security, XSS, Game Hacking, SQL injection, Forensics, Steganography, IOT, **Wireshark**, Old CTFs, Web hacking, banit, natas, shell, Discord, DynamoRIO, Vulnerabilities in _____, more Buffer Overflow attacks, **Hacking and the law**, How to get a job in cybersecurity, **Social Engineering**, Phishing, Malware Analysis, XOR, RSA, Encryption, Old CSAWs, Old PICOCTF, **HackTheBox**, OS Vulns, Hardware Vulns, **How to properly report a vulnerability**, Binary/Hex/Base64, MITM attacks, Literally whatever you want as long as it's cool and on topic!

Slides Oh no! (120)

- they don't have to be perfect. But try to make them cohesive and look nice
- Remember, you are speaking not the slides
- Decent template
 - Title
 - Meeting Flag
 - Overview Slide
 - Info Slide 1
 - Easy Challenge
 - Info Slide 2
 - Medium Challenge

15-45 (60)

- You don't need to make 1 hour's worth of slides
 - History Time! (Why 15-45)
 - 20-40 is fine
- You can make extra slides for information but DONT present them!
 - See OSINT Slides

Making Challenges (120)

- 2 Easy, 2 Medium, 2 Hard
 - Try to start a few days early, don't start 12:00 on a thursday.
- Send the flags to a CTF admin
- Solutions.md (Recommended)
 - Steps to solve
 - solution.py optimal
- Dockerize

Things to do every week.

Box meetings

Finish next weeks slides (edited)

Boxing Meeting (60)

- Would really help admins of the site
- Go onto SIGPwny website github, grab template.md from /meetings folder.
- Fill it out, it doesn't take long, it helps us a lot!
- Share the slides globally!

Update sigpwny.com/presentation (in website github)

Ask for help! (120)

- You aren't the first person to make a meeting!
 - You aren't alone!
- We can help you! We want to help you
- Message @Thomas, @Anusha, @Nathan, @Chris, @Faisal, @Helper and ask them to review your slides/try your challenges.
- Ask to join #meeting-planning

There are no challenges today

Work on what you want to work on
